OFFICE OF THE PRINCIPAL INFORMATION OFFICER TO THE GOVERNMENT OF MYSORE, OLD PUBLIC OFFICES, BANGALORE.

Press Note.

M.A. 5 COTTON.

With a view to undertake adequate and effective measures for preserving the purity of M. A. 5 cotton, a meeting was held in the Office of the Secretary, Food and Civil Supply Department, Government of Mysore, on 8th March 1951. Sri T. P. Barat, Textile Commissioner to the Government of India, Sri T. B. Palal, Director (Cotton), Office of the Textile Commissioner, Government of India, besides the Director of Civil Supplies, Director of Agriculture, Deputy Director of Agriculture, Assistant Controller of Civil Supplies, Government of Mysore, were present at the meeting. Representatives of the Krishnarajendra

Mills, Ltd., Mysore, Benny Mills, and Minerva Mills, Ltd., Bangalore, the Davangere Cotton Mills, Sri Shankara Textile Mills, and Ganesh Textile Mills, Davangere, were also present.

It was unanimously agreed that M.A. 5 cotton certified by the Agricultural Department, Government of Mysore, was assured of complete purity and that no cotton other than the certified M.A. 5 cotton can be traded in as M.A. 5 of Mysore nor can be accepted as M.A. 5 cotton by any manufacturer or dealer. It was resolved that the only authority to certify M.A. 5 cotton will be the Agricultural Department, Government of Mysore. The Director of Cotton agreed that the Textile Commissioner's Committee in Bombay will not undertake to grant certificates in respect of M.A. 5.

It was agreed that a Regional Cotton Committee be formed forthwith consisting of three representatives of the mills and three representatives of the trade. This Regional Committee will supervise the Cotton control in respect of Mysore State and any infringement to the Cotton control or if any mixings of Mysore cotton take place, the same will be investigated by the Committee and such action as the Regional Committee may think proper should be taken to deal with any malpractices.

With a view to enabling the Mysore State mills to cover their cotton requirements of Mysore State, the Director (Cotton) agreed that no allocations of Mysore cottons other than M.A. 5 will be made to outside mills.

The Director (Cotton) submitted to the meeting that it was imperative that a pressing factory be established in the Arsikere area without any delay because in the absence of a pressing factory in this area, ginned cotton had to be transported over a fairly long distance which meant an added cost either to the cotton grower or to the consumer of this cotton. He agreed that the Textile Commissioner will issue an administrative order permitting the Director of Agriculture and the Controller of Civil Supplies to issue transport permits for internal movement of lint. He also promised to consider the requirements of the Mysore State Mills in respect of other cottons for which a separate meeting would be held.

(P.N. No. 306—31-3-1951.)

Press Note.

The following Press Note issued by the Press Information Bureau, Government of India, in regard to Indo-Swedish Trade is published for general information :

PRESS NOTE.

Indo-Swedish Trade New Exchange of Letters.

Trade arrangement arrived at with Sweden on July 1, 1950, expired on December 31, 1950. As a result of further negotiations the arrangement has been extended for the year 1951, and trade letters to that effect were exchanged on February 28, 1951, between Sri S. A. Venkataraman, I.C.S., Secretary to the Government of India, Ministry of Commerce and Industry, and H. E. Dr. Gunnar Jarring, Minister for Sweden in India.

Both the Governments have agreed to use their best endeavours to promote the trade and shipping of the two countries.

Imports into India from Sweden will be on the same footing as from any other country within the soft currency group.

The Government of Sweden have extended to India the benefits of the recent liberalisation of imports made by Sweden in respect of countries which are members of the Organisation for European Economic Co-operation.

(P. N. No. 1—2-4-1951)

Press Note.

Report of Work pertaining to the Department of Co-operation for February 1951.

During the period under review, harvesting of crops in respect of the Co-operative Farming Societies were under various stages of completion. In respect of the four units of Co-operative Farming Societies directly assisted by Government, an yield of about 1,239 pallas of foodgrains valued at Rs. 24,6 .0, 1,312 maunds of cotton valued at Rs. 13,750 and other agricultural produce valued at Rs. 2,275 is expected.

In order to popularize throughout India, the several series of debentures floated by the Mysore Central Co-operative Land Mortgage Bank, Ltd., Bangalore, Government of India, Ministry of Commerce, New Delhi, have in their Notification No. 109—I. E. (1) 50, dated 20th January 1951, recognized as approved securities under the Insurance Act, 1938, the series of debentures from IV to XI issued by the said Bank.

The Mysore Provincial Silk Handloom Weavers' Co-operative Society has developed its activities to a considerable extent. There were at the end of February 1951, 1,130 members who had subscribed for a share capital of Rs. 79,735. The total sales of silk during the month amounted to Rs. 4,21,232.

As regards the activities of the Mysore Provincial Cotton Handloom Weavers' Co-operative Society, the Society undertook distribution of 345 bales of yarn allotted to the Society among the weavers throughout the State through the affiliated Primary Weavers' Co-operative Societies and other Multi-purpose Co-operative Societies on the basis of half a bundle per loom irrespective of the fact whether the person to whom the yarn is supplied is a member of the Society or not. To enable the Society to undertake manifold activities like dyeing, dissemination of technical knowledge for better and quicker production, affording of marketing facilities for the finished products, apart from arranging direct distribution of yarn, Government were pleased to sanction an interest-free loan of Rs. 3½ lakhs and necessary provision therefor in the current year's budget estimate has been made. The Mysore Provincial Cotton Handloom Weavers' Co-operative Society has therefore started its work during the month and it bids fair to work zealously in the interests of the handloom industry in the State.

With a view to supervise the work of the District Marketing Inspectors and to guide them in their work pertaining to Marketing Societies, marketing surveys and intelligence, etc., Government have in their Order No. A.F. 9956-68—Mart, 43-50-2, dated 27th February 1951, sanctioned the proposals of the Registrar to appoint the Assistant Registrars of Co-operative Societies as *Ex-officio* District Marketing Officers in their respective districts.

The Shimoga District Co-operative Conference was held under the auspices of the local Co-operative Institute at Shimoga on 11th February 1951.

(P. N. No. 2—3-4-51).

Press Note.

The emergency cut in the component of rice ration that was imposed in August 1950 with reference to the difficult stock position of rice at that time is now restored and Government are pleased to direct the revision of the composition within the basic scale of rations as follows :—

Class	Rice	Wheat	Millets	Total
	ozs.	ozs.	ozs.	ozs.
"A" Class	6	3	...	9
"B" Class	3	1	6	10
Plantation Labour...	6	1	2	9
Heavy Manual Labour	3	1	9	13

In view of the ensuing Ugadi Festival, the restoration of the rice component of the ration as above will be given effect to from 1st April 1951.

(P. N. No. 3—D. 4-4-1951).

Press Note.

The progress achieved during February 1951 in making electric power available to irrigation pumping sets, for

lighting and for heating purposes, it to be seen from the following statement :—

Lighting	93,498
Power	6,266
I.P. Sets	2,304
Cinemas	178
Street Lights	25,606
Town and Villages electrified	470

(P.N. No. 4—D. 6-4-1951).

Press Note.

Ex-Servicemen's Relief and Rehabilitation Committee.

As a result of the reorganisation of the Indian Army, several units of the Mysore State Forces have been demobilised and a large number of officers and men have been released from the Forces. These men have put in a considerable number of years' service and are well trained in several lines. The men of the Mysore State Forces have a long tradition of hard work and courage and are noted for their integrity of character, discipline and willingness to work hard and long. The Government of Mysore, at the request of the Government of India, have undertaken the rehabilitation and resettlement of these officers and men with the financial assistance of the Government of India. In this connection the Government of Mysore have set up an *Ad hoc* Committee, with the Minister for Law and Labour as the Chairman to formulate the schemes for the resettlement of these officers and men. A Rehabilitation Directorate has been set up with a Special Officer to draft the schemes and an Assistant Director of Resettlement to contact the men, to collect all the information regarding their qualifications and wishes and also follow up the various schemes that may be approved for implementation by the Government of Mysore.

The Government have in view the following forms of assistance and schemes for rehabilitating and resettling the released men of the Mysore State Forces :

1. In large areas to accommodate groups of men—100 and more and also starting of smaller agricultural colonies. Lands will be given free to these men in such areas and all assistance will be given to groups of released men to set up co-operative or collective farming.

2. Wherever available, lands will be given free to individuals with such assistance as may be necessary.

3. For those technically trained or experienced, suitable jobs will be found in Government or private industrial concerns.

4. Technical training and training in various crafts will be arranged for those desiring such training in the different crafts and trades and stipends granted during the period of their training.

5. Assistance will be given to those desiring to start small business. Several vacancies in the Government Departments will be reserved for those found suitable amongst released officers and men.

Efforts are being made to contact all the released men and to register them for the various schemes. The released officers and men are requested to contact the Assistant Director of Resettlement through their Unit Commanders and to register themselves immediately before the end of April 1951.

In this connection, the Government would deeply appreciate the co-operation of the industrial and business community in the resettlement of these men. The Government feel that it would be an advantage to the employers in employing these men who are noted for their discipline, integrity of character and willingness to work hard. Such of those employers as are desirous of employing these men are requested to contact the Special Officer for Resettlement, Labour Secretariat, General and Revenue Secretariat, Bangalore 1, immediately. The Special Officer will gladly assist the employers in selecting the right men and it may be possible for the Government to give some assistance in the training up of these men for special jobs, if any, for short periods.

(P.N. No. 5—6-4-1951)

Press Note.

PROCUREMENT PRICE OF WHEAT.

Wheat is grown in small quantities in certain parts of the State.

The purchase price of wheat fixed at Rs. 31-8-0 (Rupees thirty one and annas eight only) per palla of 100 seers all over the State last year, will be continued for 1951-52 season also.

(P.N No. 8—12-4-1951).

Press Note.

WORKING OF THE REGIONAL EMPLOYMENT EXCHANGE DURING MARCH 1951.

The Regional Employment Exchange, No 3, Lady Curzon Road, Civil Station, Bangalore, registered 968 persons during the month of March 1951, of whom 148 were Ex-service personnel—20 women and 800 others inclusive of A. B. Standard. The number of vacancies reported from the Central Government Departments and State Governments was 232 and from private employers was 47, thus bringing the total to 279.

Six hundred and fifty six persons (234 Ex-service personnel and 422 others) were referred to employers against the reported vacancies.

One hundred and twenty nine persons were placed in employment during the month, as against 138 in the previous month. Of those placed, 18 were Ex-service personnel, 110 others and one woman.

The registrations of 145 Ex-servicemen and 879 civilians lapsed during the month. Four hundred and eighty eight Ex-servicemen and 2,660 civilians were on the Live Register of the Exchange at the end of the month, for employment assistance. From the inception of the organisation up to the end of March 1951, 47,815 persons were registered, 16,762 were submitted against reported vacancies and 3,213 persons were placed in employment.

(P. N. No. 9—12-4-1951).

B. N. SRI SATHYAN,
346 *Principal Information Officer.*

Dated 9th April 1951.

Press Note.

The Government of India have started from 1st April 1951, Fisheries Training Classes for about 25 students in Inland Fisheries under the aegis of the Central Inland Fisheries Research Station at Barrackpore, Calcutta. For those candidates who are graduates with Zoology as one of their optional subjects, the course will start from the 1st June 1951. Intending candidates who are graduates with Zoology as one of their Optionals may submit their applications not later than 20th April 1951, to the Deputy Commissioner of the District concerned, who will forward the applications to the Secretary to Government, Food and Agricultural Departments, General and Revenue Secretariat, Bangalore, for being transmitted to the Government of India, Ministry of Agriculture, New Delhi, on or before the 25th April 1951.

For forms of applications and rules of admission, candidates are advised to refer to the *Mysore Gazette*, in which they will be published.

(P. N. No. 6—9-4-1951).

B. N. SRI SATHYAN,
288 *Principal Information Officer.*

Rules of the Inland Fisheries Training Course at the Central Inland Fisheries Research Station, Calcutta.

1. The Inland Fisheries Course is intended to provide training in the general principles and practions of inland

fishery work to selected candidate. It is primarily designed to train hands for the posts of fishery officers in the subordinate administrative services in the Provinces of the Indian Dominion and the States according to it. Candidates from foreign countries or those intending to take up private employment or develop fisheries in their own estates may also be admitted for training.

2. The Chief Research Officer, Central Inland Fisheries Research Station, Pulta/Calcutta will control the administration of the course with the assistance of a Superintendent of Training and other staff appointed for the purpose.

3. The Fisheries Training Superintendent will be in direct charge of the Course and will act as the Drawing and Disbursing authority and for maintaining the general discipline, etc. The other staff will help the Fisheries Training Superintendent in arranging the course of studies and other work in connection with the training course. Fishery experts from Provinces and States and Research Staff from Scientific Institutions may, from time to time, be invited to deliver short courses of lecturers and to give demonstrations at various centres.

4. The Course will commence from the 1st June and last for ten months. An additional training for two months will be provided for the trainees who have qualifications lower to those prescribed under rule 10.

5. Tours in selected fishery centres in India or in the neighbouring countries, as may offer facilities for practical training, will constitute an integral part of the training.

6. The trainees for the Course may be classified into the following categories :—

(*a*) Government servants on deputation.
(*b*) Government (Provincial or State's) Stipendiaries holding a guarantee of appointment on the completion of the course from the deputing Government.
(*c*) Private candidates.
(*d*) Trainees deputed by foreign countries.

7. The nominations from the various Governments and applications from other candidates will be received by the Government of India in the Ministry of Agriculture, New Delhi, by the 15th January.

8. The Government of India in the Ministry of Agriculture shall decide the number of trainees of different categories to be admitted each year, after consulting the various administrations, etc. The Provincial or State Governments concerned and private candidates will be informed of the selection, but if any selected candidate fails to join the Course without previous intimation or proper excuse, he will be replaced by some one else.

9. The selection of candidates of categories (*a*) and (*b*) rests with the Provinces and States concerned. Applications of candidates of category (*d*) must be sent through the Embassy or the Consulate of the country concerned Applications from the candidates of category (*c*) must be submitted through the head of a district who will be expected to satisfy himself about the antecedents of the candidate.

10. The qualifications and conditions for admission are as follows :—

(*i*) Graduates with Zoology as one of their subjects, in their degree course.
(*ii*) Category (*a*) trainees should have served a fishery department or its equivalent in function for not less than two years.
(*iii*) Maximum age limit of 30 years for trainees of category (*b*), (*c*) and (*d*). Trainees of category (*a*) should not ordinarily be more than 40 years in age.
(*iv*) The trainees should produce a health certificate of physical fitness signed by the District Medical Officer or an Officer of equal rank testifying the candidate's sound hearing and sight and general physical fitness for a rough outdoor life and that he bears marks of successful vaccination.

Note.—In exceptional cases the admission rules may be relaxed to admit a specially deserving candidate.

11. Candidates who have qualifications inferior to those prescribed in rule 10, or have not taken Zoology as one of the subjects in their degree course, will be expected to undergo at the Training Centre a preliminary training in Natural Science for a period, not exceeding two months prior to the commencement of the Fisheries Training Course. The preliminary training will include a practical and theoretical study of the main features of aquatic animals of the more important phyla, general outlines of the distribution and life history of all classes of aquatic animals of food and industrial value to man and of the organisms which constitute their food and enemies.

12. Government nominees of category (*a*) will draw their pay or a stipend of Rs. 75 per mensem whichever is greater, and T. A. at Government of India rates for officers of their grade as permissible under supplementary rules.

Note.—There is no guarantee that a monthly stipend of Rs. 75 will cover the entire cost of living, etc., while the candidate is under training.

13. Grant of a stipend and travelling allowance to candidates of category (*b*) rests with the deputing Government. Where a stipend of less than Rs. 75 per mensem is granted it will be for the deputing Government to collect from the parents or guardian of the candidate the difference between the total expense over the training period, *i.e.*, Rs. 750 (or Rs. 900 in the case of candidates taking a preliminary training in Natural Science) and the stipend allowed by the Government and to remit the same to the Chief Research Officer before the 15th March of the Calendar year of the Course.

The cost of travelling is expected to amount to Rs. 750 per candidate provided Railway concessions are available. Provincial/State Governments are therefore requested to grant actual expenses of journeys for the whole course. If however a Provincial/State Governments decides not to grant actual expenses of journey to its candidates a sum of Rs. 750 shall be collected from each candidate deputed and remitted to the Chief Research Officer before the 15th March, it however the actual travelling expenses exceed the amount given above, such further sum shall be deposited as the Chief Research Officer may demand.

14. In the case of candidates of categories (*c*) and (*d*); similar deposits of stipends and Travelling Allowance (*i.e.*, Rs. 750 or Rs. 900 *plus* Rs. 750 for the cost of travelling, *i.e.*, Rs. 1,500 or Rs. 1,650 for the entire course shall be made by the Private Candidates or by the Embassy or Consulates respectively.

15. Stipends are payable to candidates for each month of the course including holidays. Stipends may be granted at the discretion of the Chief Research Officer for absence under proper sanction up to a total of one month at one time. Absence exceeding two weeks will be reported to the Provincial Government, State or Embassy, deputing the candidate or to the parents or guardian of a private student without whose sanction no stipends will be paid for the period of absence in excess of two weeks.

16. *Fees*—(*i*) Tuition fee Rs. 200 for 10 months and Rs. 240 for 12 months course.
(*ii*) Lodging fee Rs. 150 for 10 months and Rs. 180 for 12 months course.

Total Rs. 350 for 10 months and Rs. 420 for 12 months course.

These fees will be payable in advance by the deputing Governments (or in the case of private candidates by themselves).

Note:—In the case of private candidates a few poor men, preferably belonging to the fishermen caste, will be exempted from paying the tuition fee only. Applications for free studentship must be made separately.

17. On admission to the course, the candidate shall deposit with the Chief Research Officer a sum of Rs. 100 as security against loss and brokerage of equipment, etc. This amount will be refunded on the completion of the course.

18. It will be only after receipt of the sum of Rs. 1,950 (1,850 *plus* 100) in respect of trainees of 10 months course and Rs. 2,170 (2,070 *plus* 100) from trainees of 12 months course that the Chief Research Officer will allow the students to join the class.

19. The subjects to be taught during the course are as follows :—

1. General Hydrology
2. Ecology of Inland Waters

3. Inland Fisheries of India
4. Statistics of Fish and Fisheries
5. Fishery Biology
6. Fishery Technology
7. Pisciculture and Fish Farming in Inland and Estuarine Waters.
8. Socio-economics, and
9. Fisher-lays
10. Classification of Animal Kingdom and of Fishes
11. General Principles of Physiology of Aquatic Animals
12. Fresh-water Plankton

20. An examination will be held at the end of the course. It will consit of four papers of two hours each. Practical tests will necessarily be held while on tour and marks allotted will count for pass in the aggregate. A candidate must obtain 50 per cent of the marks in each of the two groups of subjects to obtain a pass.

21. On successful completion of the training a certificate will be awarded. Those who obtain 75 per cent of the marks will be considered to have passed with Honours.

22. Candidates who fail or are unable to appear at the final examination may be permitted by the Chief Research Officer to appear in the next examination with the approval of Government of India provided that they undergo part of the Course the duration of which will be determined by him.

23. The trainees are eligible for 15 days' casual leave and all Government holidays at the discretion of the Fisheries Training Superintendent. All other leave will be treated as leave without stipend and allowances for the period. Candidates falling short of 75 per cent of the total attendances will be disqualified from appearing at the Examination. A candidate who leaves the Course before its completion or is discharged on account of unsatisfactory progress or for misconduct, will forfeit the stipend and will have to refund all the emoluments received by him during the period he attended the Course *plus* such penalty as may be decided by the Chief Research Officer.

24. Shirts, shorts, hats (caps or turbans) boots and shoes will be the recognised form of dress during training. The trainees will equip themselves with beds, mosquito nets, goloshes or canvas shoes, swimming costume, hand lens, disecting instruments, foot-rule, note books and other stationery.

25. The trainees will be subject to all such rules and regulations of study and conduct as may be prescribed from time to time.
